

## EPEAT ENVIRONMENTAL INFORMATION FOR SCANNERS

### Scanner Repair & Replacement

To repair or replace your scanner, please visit: <http://www.visioneer.com/en/us/warranty/default.asp>

### Scanner Spare Parts

Spare parts are available for at least five years. To obtain spare parts, go to: <http://support.visioneer.com/>

### Stand-by Power Level

The stand-by power level of  $\leq 1$  watt occurs when the scanner is in sleep mode. This function occurs automatically.

## SCANNER RECYCLE/DISPOSAL METHOD

### Product Take-Back Service (EPEAT)

Equipment recycling or disposal: Visioneer customers have the option of recycling or disposing of their Visioneer® branded scanners. Visioneer scanners may be shipped to Visioneer for reuse or recycling. Customers pay the shipping cost while Visioneer covers the recycling cost. If the customer lives in a state with an e-waste law that covers scanners, they may call Visioneer customer service at 925-251-6399 for a call tag or prepaid label. Scanners should be shipped to the address below.

Visioneer take-back service for scanner is available at:

### **VISIONEER TAKE-BACK RECYCLING CENTER**

**5694 Stewart AVE.**

**Fremont , CA 94560**

Visioneer uses AERC Recycling Solutions in Hayward, CA (an R2/RIOS Certified Electronics Recycler).
