1. SCAN

Scans Receipts, Business Cards, Documents, and Handwritten Notes.

With this lightweight scanner, you can scan your receipts, business cards, articles, newspaper clippings and even photographs – fast. RoadWarrior scans documents up to 8.5" wide and 14" long.

2. ORGANIZE

Arrange Your Documents and Leave Paper Behind

RoadWarrior software allows you to stack your scanned receipts and documents to make organizing easier. Plus, using Google Desktop Search, you can easily locate the information stored in your scanned documents – and email. Scan it, organize it and share it – then leave bulky paper behind. Scanned receipts are even accepted by the IRS.

3. SHARE

Searchable PDF Makes Finding Information Easy

Because documents are scanned into a searchable PDF format, you can easily send and share information with your team, clients or headquarters.
