

Strobe™ XP 450 PDF

The Business Scanning Solution!

Fast

20 ppm Hi-Speed USB 2.0 simplex scanning*
TWAIN and Certified ISIS Drivers

Compact

Fits on your desk (5"x13")

Versatile

Scans from checks up to legal sized documents

Scans Directly to PDF!

The Visioneer Strobe XP 450 PDF is a compact and cost effective hi-speed scanner perfect for workgroups and other decentralized scanning applications. By eliminating seldom used options such as duplex capability and SCSI interface, Visioneer offers this model at a price that enables businesses to achieve high levels of productivity by distributing fast scanners throughout the organization.

The Strobe XP 450 PDF has a 50 page Automatic Document Feeder that scans 20 pages per minute, (20 ppm). It features 600x1200 dpi optical resolution, 48-bit color, Hi-Speed USB 2.0 interface and scans everything from checks and photos up to legal sized documents. It also features one of the smallest footprints available of any ADF scanner on the market.

Includes TWAIN and Certified ISIS Drivers.

*200 dpi black and white
Based upon 18 lb. paper

PaperPort Deluxe 9 is the easiest way to turn piles of paper or photos into organized digital files that you can quickly find, use and share. Stop wasting time looking for paper documents scattered around your home and office. PaperPort's native support for the standard PDF format brings you the power to scan, annotate and email documents and photos in a format that ensures everyone can view and print them on any computer.

Quickly turns scanned documents into editable, formatted text. You can use the text in virtually any word processing, desktop publishing, or web publishing program.

Edit, retouch, and enhance images simply and quickly. Apply special effects with point-n-click interface. Numerous templates for cards and calendars are included.

Scan-to-PDF

PaperPort's native support for the standard PDF format brings you the power to scan, annotate and email documents and photos in a format that ensures everyone can view and print them on any computer.

Easily Convert Paper Documents into Digital Documents

You can turn your scanned images into editable Word, Excel or text files with a simple drag and drop to PaperPort's SendTo bar. Virtually eliminates the need for retyping documents.

Find Information Fast

PaperPort helps you find any document or photo on your PC instantly. Just type in a word or phrase and PaperPort will bring up the right document immediately.

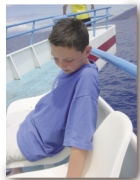

Fill Out Forms Quickly, Neatly

FormTyper® automatically recognizes the fields on a scanned form. Simply tab and type in PaperPort to neatly fill in all the information. Print the filled-in form and PaperPort automatically saves an electronic copy for your records.
