### **VISIONEER SELECTED FOR INNOVATIVE CDW CORPORATION PARTNER PROGRAM**

*CDW Sapphire Partners Offer Customers Ready Access to Breakout Technologies and Solutions*

Pleasanton, CALIFORNIA – May 29, 2008 – Vioneer, Inc., a leader in intelligent imaging solutions, announced today that they have been selected by CDW Corporation, a leading provider of technology products and services to business, government and education, for its Sapphire Partner Program, a proactive approach to embracing breakout technologies and the companies that offer them.

“We look forward to working closely with CDW to meet the needs of our shared customers,” said Bob Scaglia, senior vice president of retail and e-commerce sales for Vioneer. “This selection speaks well of Vioneer’s innovative stance in the technology marketplace.”

“CDW is pleased to include Vioneer in our Sapphire Partner program,” said Matt Troka, CDW vice president of partner and product management. “The Sapphire Partner Program underscores CDW’s commitment to work with market players that are shaping the technology landscape.”

CDW designed the Sapphire Partner Program to increase customer access to industry players that represent emerging trends in the technology marketplace, allowing CDW to stay ahead of product life cycles and meet customer needs as innovative products and services reach maturity. Companies designated as CDW Sapphire Partners work closely with CDW account managers and technology specialists to provide information, advice and support for products and solutions of increasing interest to CDW customers.

**About Visioneer**

Visioneer provides a broad range of scanning solutions for the desktop, distributed and departmental document imaging markets as well as the mobile and remote business scanning segments. In 2003, Visioneer combined its leading scanner technology with the Xerox brand recognition to develop the Xerox DocuMate product line. Visioneer and Xerox DocuMate high-performance business scanners and imaging software solutions offer users speed, image quality, advanced paper handling and ease-of-use with exclusive Visioneer OneTouch™ technology. These products have received numerous awards including AIIM Best of Show in 2004 and 2005, as well as consecutive PC Magazine Editors' Choice Awards in 2005 and 2006.
