NEWS for Immediate Release

Visioneer and Leasezero Announce Finance Program for Document Management Solutions

Pleasanton, CALIFORNIA – July 14, 2008 – Visioneer®, Inc., a leader in intelligent document imaging solutions, today announced a new lease finance program designed to help customers accelerate their technology investment by providing alternatives to traditional financing. Both [Visioneer](#) and [Xerox DocuMate](#) scanners qualify for the Leasezero program.

Visioneer, a Xerox trademark licensee, offers a complete line of high-performance business scanners and imaging software solutions that offer users speed, image quality, advanced paper handling and ease-of-use with exclusive [Visioneer OneTouch™ technology](#).

Through the agreement with Leasezero, customers are able to choose from several specially designed leasing products and payment plans tailored for businesses of every size. Additional details on leasing option can be found on the website at <http://www.leasezero.com/visioneer.htm>.

“By teaming with Leasezero, Visioneer provides options to resellers and channel partners to use services with their own business or as an additional service sale to their customers,” said Bill Kouzi, senior vice president of sales and service at Visioneer. “Leasezero works with the reseller to provide a flexible, simple and enduring alternative to the cash sale.”

Since 1984, leasezero.com has been committed to providing dealers and resellers nationwide with high quality, professionally delivered equipment leasing and financing solutions. By integrating industry knowledge with a creative approach, Leasezero is able to offer the flexibility required for each reseller's unique needs. This flexibility, allows Leasezero to deliver customized solutions that enable our reseller dealers to achieve success and enhance customer relationships.

About Visioneer

Visioneer provides a broad range of scanning solutions for the desktop, distributed and departmental document imaging markets as well as the mobile and remote business scanning segments. In 2003, Visioneer combined its leading scanner technology with the Xerox brand recognition to develop the Xerox DocuMate product line. For additional information on Visioneer and Xerox scanning solutions, visit www.visioneer.com or www.xeroxscanners.com.
