Visioneer Announces Sales Team Promotions

PLEASANTON, Calif., December 16, 2009 – Visioneer, Inc., a leader in intelligent document imaging solutions, is pleased to announce the promotions of Andy Domnauer to the position of Director of Enterprise Sales, Jim Tamo to the position of Director of Sales for the Americas and Ruben Suazo as Director of Latin America Sales effective January 1, 2010. These valued members of the Visioneer sales team have demonstrated extraordinary leadership skills by contributing to Visioneer's unprecedented growth as we emerge from a very difficult period for our industry and economy, which has become known as the "Great Recession".

"By dramatically increasing enterprise-based revenue, opening new sales and distribution channels in North America and aggressively launching the DocuMate scanners in Latin American, these three individuals exhibited great insight both strategically and tactically, which has enabled them to earn the respect of their customers, channel partners and industry peers," said Bill Kouzi, senior vice president of sales for the Americas at Visioneer. "I will rely on Andy, Jim and Ruben strengths and leadership as we together execute our strategy for 2010 and beyond."
