# **Vioneer Announces Windows® 7 Logo Certification for its Document Scanner Line**

**Scanner drivers passed Microsoft standards of compatibility, reliability and performance**

Pleasanton, CALIFORNIA – October 21, 2009 – Vioneer®, Inc., a leader in intelligent imaging solutions and Microsoft Gold Certified Partner, announced today that through its development relationship with Microsoft Corp., Vioneer scanners have earned logo certification for the new Windows 7 operating system and are available for immediate download. Vioneer has updated the drivers for their most popular professional and consumer scanners to take advantage of the enhanced productivity of Windows 7.

“Vioneer is committed to giving our customers a favorable scanner experience with full operating system compatibility and our engineering team has worked diligently to ensure that our products received Windows 7 logo certification,” said John Dexter, vice president of business development at Vioneer. “With Windows 7, Microsoft is delivering a foundation for remarkable customer experiences across applications, services and devices. Windows 7 builds on the Windows Vista® operating system to improve security, reliability, networking and user experience.”

### **Availability of Drivers**

Windows 7 drivers for Vioneer scanners are available immediately on Vioneer’s web site at [support.vioneer.com](http://support.vioneer.com). Driver support for Vista and Windows XP can also be found at this web site.
