

## Fast & easy photo scanning for your cherished memories

Secure cherished family memories smarter and faster than ever with the Visioneer® High-Speed Photo Scanner PH70. With 4x6 photo scan speeds of up to 110 photos per minute\*, the High-Speed Photo Scanner PH70 has more power and handles more media (up to 50 photos or 120 sheets in the automatic document feeder) than any other high-speed scanner in its class. And, with Visioneer's 25-point onboard image processing engine of Visioneer® Acuity, you'll get better quality scans the first time, and at full speed.

The High-Speed Photo Scanner PH70 comes loaded with a software suite to handle the photo capture project you have always dreamed about. Starting with Visioneer One-Touch®, use nine (9) one-click scanning presets from your desktop, or easy walk-up scanning capability directly from the High-Speed Photo Scanner PH70. Edit, organize and store your photos for fast and easy retrieval. Take your family photo archiving to the next level with Tag That Photo® software, providing automated facial recognition and patented tagging technology, with the privacy your photos

deserve. A complimentary one-year subscription to Tag That Photo is included.

For your document scanning needs, the Visioneer High-Speed Photo Scanner PH70 also includes Visioneer Capture SE and a full-version ABBYY® FineReader® PDF to create searchable PDFs and take advantage of comprehensive multilingual Optical Character Recognition (OCR), deep PDF editing, file conversion and security.

Visioneer brings mobile scanning to the High-Speed Photo Scanner PH70, with Visioneer Mobile Capture app for iOS and Android. Now image and document capture, editing and secure sharing on a smart phone or tablet is a reality.

The Visioneer® High-Speed Photo Scanner PH70 delivers best-in-class value far beyond its competitive price point. Combining performance, software and network/mobile scanning leadership, the High-Speed Photo Scanner PH70 provides the ease, power and toolset you need to conquer your next photo organization project.
