**POWERFUL, PORTABLE SCANNING  
—ANYWHERE YOU NEED IT**

The Visioneer® OneTouch™ 300 is a compact, high-performance scanner designed to bring speed, flexibility and wireless convenience to any workspace. With duplex scanning speeds of up to 30 pages per minute (60 images per minute) at 300 dpi, this sleek and lightweight device punches well above its weight. Whether you're scanning contracts, plastic ID cards or long-form documents up to 118", the OneTouch 300 is a versatile tool that fits perfectly into remote offices, shared workstations or personal desk setups.

Built for convenience and connectivity, the OneTouch 300 features a 25-page automatic document feeder (ADF), ultrasonic double-feed detection, and support for a wide range of media types. With Wi-Fi, Gigabit Ethernet and USB connections, users can scan to a network folder, email,

or cloud destination with minimal setup.

The scanner's compact footprint and collapsible trays make it easy to store or carry, without sacrificing performance.

The OneTouch 300 includes the powerful Visioneer Intelligent Software Platform, featuring Visioneer OneTouch® for quick and easy one-click scanning. Pre-configured with eight customizable work flows, users can instantly scan to searchable PDFs, Microsoft® Office formats, image files, and more—right from their desktop. Visioneer Mobile Capture brings scanning flexibility to your smartphone or tablet, enabling image capture, editing and secure sharing from iOS and Android devices. Visioneer Organizer AI automates file tagging and classification for smarter digital file management, while ABBYY® FineReader® PDF delivers advanced OCR, PDF editing and conversion capabilities.

**EASE-OF-USE AND FLEXIBILITY**

For Mac® users, the included Visioneer Scan Utility and ABBYY FineReader PDF for Mac ensure cross-platform productivity and accuracy. With support for Windows 11, 10, 7 and MacOS 11-15, plus TWAIN, WIA, ICA and SANE driver compatibility, the OneTouch 300 integrates seamlessly into most document management workflows.

The Visioneer OneTouch 300 blends performance, portability and intelligent software to deliver a best-in-class scanning experience. Backed by Visioneer's standard warranty and robust customer support—including online resources and live technical assistance, it's the smart solution for fast-paced, digital-first environments.
